

Food and Drink Logistics Exhibition 2010

Seafield Logistics will be exhibiting at the Food and Drink Logistics exhibition at Birmingham NEC from the 21st – 24th March 2010 situated within the UKWA Pavillion.

The logistics show is a new show which will run alongside the Foodex, Food & Drink expo, Baking Industry exhibition, Convenience Retailing show, IFFE and Off Licence Show, giving the key decision makers the opportunity to meet with companies from across the whole supply chain.

With an ambitious growth target, Seafield has four core business activities – logistics, warehousing, distribution and contract packing. The Head Office is located at Worksop, Nottinghamshire and the company has operating centres throughout the UK.

Seafield Logistics offers the following services to a wide range of blue chip clients:

- Warehousing, dedicated or shared user
- Design and build
- Transport, dedicated or shared user
- Tanker and Tipper transport
